

ACE PEST CONTROL, INC.

ADDITIONAL SEASONAL PROGRAMS THAT ARE AVAILABLE:

Mosquito Control:

(Also exterior Flea & Tick control)

Take control of your yard from annoying, biting, disease carrying Mosquitoes, Fleas and Ticks. Our cost effective control programs offer outstanding product performance with no odor, fast drying formulations being applied to conducive harborage areas around your property. We offer programs ranging from the one-time special occasion on up to complete season services. Our "Holiday Package" of 3 scheduled treatments prior to Memorial Day, 4th of July and Labor Day has been very popular around the lakes area. Call today for your free estimate.

Weed Control:

Weed control formulations are applied to driveways and perimeter fence lines. Available as a one-time treatment or as a seasonal service with follow-up applications as needed at no additional charge.
